Review Date:	June 2022

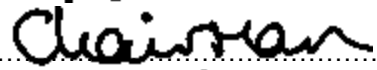

Nottingham Sports Car Club (NSCC) prioritises the safeguarding and welfare of all participants in our activities across Motorsport UK Permitted Events. Everyone has an important role to play in safeguarding the welfare and development of children and young people. Equally we each have an important role to play in safeguarding the welfare of adults at risk or vulnerable groups.

- Ensure that the safety and welfare of all children and vulnerable adults is our first priority.
- Treat children, young people and adults with respect, regardless of their gender, ethnic or social background, language, religious or other beliefs, disability, sexual identity or orientation or other status.
- Always use language or behaviour that is appropriate and do not use language or behaviour that is or could be considered harassment, abuse, sexually provocative or demeaning.
- Behave as a role model.
- Always maintain professional boundaries in person and online.
- Be careful when engaging in ‘banter’ as this can easily be misunderstood or have a negative impact whether intentional or not.
- Recognise the danger to self and others when online – do not engage in online communication or ‘friendships’ through social media with children (e.g. Facebook, Instagram, Messenger, WhatsApp and other online platforms)
- Take appropriate action in the event of concerns about a child’s wellbeing by reporting concerns to the Motorsport UK Safeguarding team, Club or Championship Safeguarding Officer, police and/or other appropriate authorities.

NB: If you do report a concern to any Event Official or appropriate authorities, you MUST also inform the Motorsport UK Safeguarding team.

The Club will review this Code of Conduct annually.
